David,

refer the travel-request approval to Reuven. Ops-Sec will pay.

Ok, so we've sealed on August, 1st. I'm starting to push the rock up a hill...

In a worst case, the budget will be sufficient to buy an one-way ticket only... Joke... :-))

Let's add 2 weeks... August, 1? Or do you need a break after a family visit? ;-))

Sounds good. July is a bad month due to family coming to visit.
Anytime after is great!

Hi Mike,

Finally, I got a bit less busy, so I recalled that once I've been invited to visit to CA (not Conditional Access, obviously ;-))). If you don't withdraw from this invitation :-), I'd start planning the trip and the 1st the question is when. Currently I have to pass one last exam in the university to close the semester. It's scheduled on July, 17. So, as soon as I finish with studies, I'm ready to take the road. Thus, let's confirm dates, then we could deal with agenda, etc. Avigail welcomed my initiative, so it's up to you now.

Best regards,
